What is Super6Bybit?

Super6Bybit is Bybit's sixth-anniversary campaign packed with rewards and daily activities:

- Users will be able to build and transform virtual bbSOL characters through task completion and feeding mechanics.
- Unlocking rewards from a prize pool exceeding $1 million through Lucky Draws.
- Exclusive prizes include physical rewards like Solana Phones, Tesla Bots, and even a Space Travel Ticket worth 66,666 USDT.

When is Super6Bybit?

Bybit's Super6 campaign runs from **November 28, 2024**, to **January 6, 2025**. Participate now and unlock rewards at every milestone.

What is bbSOL and LSTs?

- Think of bbSOL as a tamagotchi-style virtual character. Feed it to level up and unlock rewards.
- LST (Liquid Staking Token) ensures your participation contributes to real growth while having fun.
