

Bitget: One-way Mode

Description

Tealstreet now supports [Bitget](#) One-way Mode!

Image not found or type unknown

This update includes a round of bug fixes across the board including:

- Improved candle refresh latency

- Bitget reduce auto cancel natively
- Resolved bug with some Bitget symbols not fully loading
- Improved Bitget chart stability
- A variety of other miscellaneous bug fixes

Please note, Bitget One-way mode's liquidation price is not always accurate. However, we expect this to be resolved very soon.

We want to thank you all for your continued support. Please join us in our Discord server:
