

Tealstreet x Bitget Now Live!

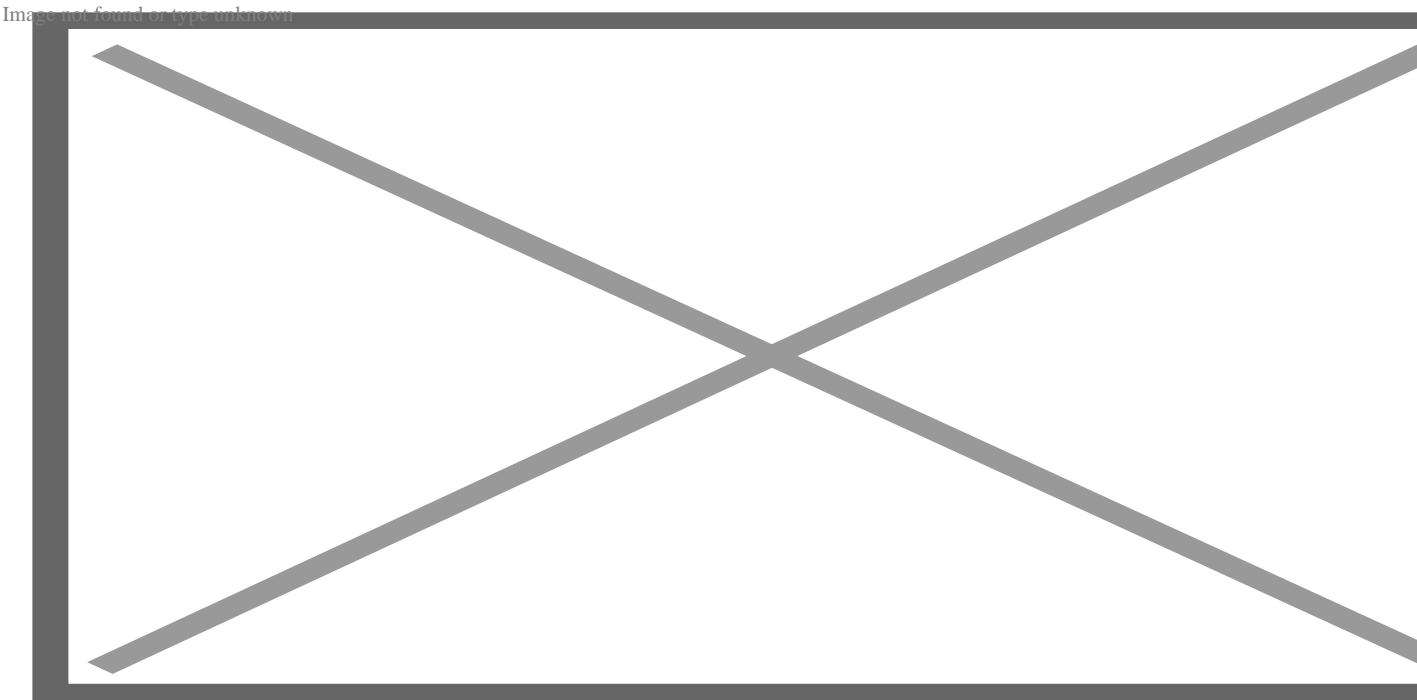

Description

The Tealstreet Team is happy to announce the integration of a brand new exchange in the Tealstreet Terminal.

You can now Trade Bitget's USDT margined, USDC margined, and Crypto margined derivatives using Tealstreet!

Don't have a Bitget account? Create one [here](#).

As an added bonus, for a short time only, create a Bitget account using Tealstreet's link and receive special deposit bonuses!
